

MARK 10

# **RICHES AND SALVATION.....**

# 1967

Apostle N. Eldon Tanner

"The church has no intention of changing its doctrine on the Negro. Throughout the history of the original Christian church, the Negro never held the Priesthood. There's really nothing we can do to change this. It's a law of God."

# 2014

Apostle Dallin H. Oaks

"They [women] are not free to alter the divinely decreed pattern that only men will hold offices in the priesthood."

## HOW ARE WE 'SAVED'?

**"For," said Nephi, "we labor diligently to write, to persuade our children, and also our brethren, to believe in Christ, and to be reconciled to God; for we know that it is by grace that we are saved, after all we can do." (2 Nephi 25:23. Also Alma 24:11)**

**Stephen Robinson: "LDS commentators are agreed that the word *after* in this passage is used as a preposition of separation rather than of time.**

**The sense is that apart from all we can do, it is ultimately by the grace of Christ that we are saved. *This meaning is apparent from the fact that none of us actually does all he can do.*"**

...the education of our desires is one of far-reaching importance to our happiness in life.

God's ways of educating our desires are, of course, always the most perfect...

And what is God's way?

Everywhere in nature we are taught the lessons of patience and waiting. We want things a long time before we get them...

In nature we have our seed-time and harvest; Nature resists us and keeps admonishing us to wait; indeed, we are compelled to wait...

- **There has been a great difficulty in getting anything into the heads of this generation. It has been like splitting hemlock knots with a corn-dodger for a wedge, and a pumpkin for a beetle. Even the Saints are slow to understand.**
- **I have tried for a number of years to get the minds of the Saints prepared to receive the things of God; but we frequently see some of them, after suffering all they have for the work of God, will fly to pieces like glass as soon as anything comes that is contrary to their traditions.**
