# ELDER HOLLAND

---

Like Moses in that vision, there may come after the fact some competing doubts and confusion, but it will pale when you measure it against the real thing.

*Remember the real thing.* Remember how urgently you have needed help in earlier times and you got it.

The Red Sea will open to the honest seeker of revelation. The adversary has power to hedge up the way, to marshal Pharaoh's forces and dog our escape right to the water's edge, but he can't produce the real thing. He cannot conquer if we will it otherwise.

Exerting all our powers, the light will again come, the darkness will again retreat, the safety will be sure. That is lesson number one about crossing the Red Sea by the spirit of revelation.

# ELDER HOLLAND- 2<sup>ND</sup> LESSON

That is the second lesson of the spirit of revelation. After you have gotten the message, after you have paid the price to feel His love and hear the word of the Lord, go forward.

Don't fear, don't vacillate, don't quibble, don't whine. You may, like Alma going to Ammonihah, have to find a route that leads an unusual way, but that is exactly what the Lord is doing here for the children of Israel.

Nobody had ever crossed the Red Sea this way, but so what? There's always a first time. With the spirit of revelation, dismiss your fears and wade in with both feet.

In the words of Joseph Smith, "Brethren [and sisters], shall we not go on in so great a cause? Go forward and not backward. Courage, brethren; and on, on to the victory!" 12
